

THE VANCE MONUMENT.

**VOLLERS OF LYNCH IN SOUTH-
PORT OUTRAGE DECENCY.**

**General Clinchman's Remains to be Re-
Interred With Imposing Ceremonies—
African Prince Studying Theology.**

**RALEIGH, N. C., Dec. 4.—Special.—The
Grand Lodge of Masons will take part
in the laying of the corner-stone for the
monument which is to be erected in
memory of the beloved Senator Z. B.
Vance at Asheville. The exact date has
not been set, but it will be some time in
this month.**

There has been much said and written
about the Lynchites in Southport, N. C.,
where they have settled themselves for
the winter apparently. In one little office
of two rooms there are four men and
four women and nine children, all sleep-
ing on mattresses on the floors, and using
this place in common. None of these
people claim to be man and wife, but
have left their legitimate husbands and
wives, and are leading this horrid life,
and claiming that they are holy. When
they meet in stores, on the street, or any-
where, the men, women, and children
greet each other with "the holy kiss."

They tell their hearers that to listen to
the preaching of regular ministers is only
sinking themselves deeper in perdition.
It is not only the ignorant who are going
over to them, but I know of one case
where the lady is intelligent, well-read,
and for years has been a school teacher.

A WATCHMIGHT.

The Board of Aldermen last night de-
cided to pay the water company for all
the water used outside of what the
contract calls for, and to tax the water com-
pany as for other property. This may
lead to a fight between the water com-
pany and the city.

Governor Russell says he cannot attend
the removal of General Clinchman's body
from Concord to Asheville, but asks Adj-
utant-General Cowles to represent him.
The reinterment takes place Monday.
The body will be in charge of a delegation
of Confederate veterans and will be put
in its final resting place with imposing
ceremonies.

NORTH STATE BAPTISTS.

At the sixty-seventh annual session of the
Baptist State Convention at Oxford, Dr. A. C. Barnes, of Charlotte, will preach
the sermon. The following reports will
show: Churches, 1,469; membership, 140,-
000; preachers, 700; baptized during the
year, 8,000; for State, Home and Foreign
Missions, \$20,000; education of ministers,
\$2,400; epiphany, — Total for all ob-
jects, \$25,600. This does not apply to the
Western North Carolina Convention,
which has 21,600 members.

A GOOD PRACTICE.

If You Want a Good Appetite and Perfect
Digestion.

After each meal dissolve one or two
of Stuart's Dyspepsia Tablets in the
mouth and, mingling with the food, they
constitute a perfect digestive, absolutely
safe for the most sensitive stomach.
They do the work before it has time
to ferment thus preventing the formation
of gas and keeping the blood pure and
free from the poisonous products of fer-
mented, half digested food.

Stuart's Dyspepsia Tablets make the
complexion clear by keeping the blood
pure.

They increase flesh by digesting flesh-
forming food.

Stuart's Dyspepsia Tablets is the only
remedy needed especially for the cure
of stomach trouble and nothing else.

One disease, one remedy, the success-
ful physician of to-day is the specialist,
the successful medicine is the medicine
prepared especially for one disease.

A good pastime taken at one time
would not hurt you, but would simply
be a waste of good material.

Over six thousand men and women in
the State of Michigan have been
cured of dyspepsia and dysuria by the
use of Stuart's Dyspepsia Tablets.

Sold by all druggists at 50 cents for full-
sized package.

America is a great country. In variety
and grandeur of natural scenery it is un-

Mr. W. W. Waddell, Danville, Va.

Dear Sir—In response to your inquiry
in regard to the 5-year Endowment policy
No. 11577, issued by the Northwestern

Mutual Life Insurance Co., will say I am

much pleased with the results. This policy
was taken out at the age of 27 years. I

find that my net payments amount to

\$2,269.41, which shows a net profit of \$320.59.

My only regret is that I did not use the

dividends to purchase more insurance, in-

stead of applying them to the payment

of the premium. I do not think that any

company can show a better result than

this.

Very truly yours,

R. L. DIBRELL.
